Our lady of Mount Carmel is the title given to Blessed Virgin Mary, mother of Jesus, in her role as a patroness of Carmelites Order. The first Carmelites were Christian Hermits who lived on Mount Carmel in the Holy Land during the late 12th to mid 13th century. The School is named after the patroness of our Lady of Mount Carmel and used in short as 'Carmel'.

St. Kuriakose Elias Chavara is the founder of CMC (Congregation of the Mother of Carmel). He was an educationist par excellence. He was instrumental to bring about an educational revolution in Kerala by starting schools for the education of all at a time when education was the privilege of a few. He had realized that the integral growth of a generation can be materialized only through education of the young generation. If Kerala is a 100% literate state today, it is because of St. Kuriakose Elias Chavara, who brought forth his vision and a mission of education in his time and our time by his followers.

St. Chavara believed in the holistic development of individual combining academic excellence with moral and spiritual values.

"Let your ability be manifested  
in your discipline of life, in piety  
and control of your senses".

(St Chavara)
